Remote Access Troubleshooting

Have alerts go directly to service technicians. Troubleshoot and resolve issues immediately, from anywhere.

The right partner, quality-built equipment and advanced technology.

Started over 65 years ago, Fagor commercial washers and dryers are used worldwide in laundromats, hotels and hospitals. Fagor is part of the ONNERA Group, a global organization whose brands operate across five continents and are backed by seven manufacturing facilities worldwide. With a team of more than 2,000 professionals, Onnera delivers a broad portfolio of solutions tailored to the unique needs of each market it serves.

ONNERA Group is integrated in the cooperative experience of Mondragón (MCC) and committed to working for a better future. A future where the brands that make up the group are synonymous with integrity, commitment, initiative and teamwork, all working together toward a new era.
