Everything you need for loads of success.

Why a Laundromat?

- Potential for high rate of return on your investment
- Can be a part-time addition to your existing career and other family obligation
- Easy to manage
- Low fixed costs
- Recession resistant
- One of the few businesses classified as essential by the government
- No special technical skills are required
- Minimal receivables – most revenue generated each day can be collected and deposited the same day
- Tax advantages for small business owners

Earn 20-35%
Annual Rate of Return on Your Investment*

*Actual Return on Investment will vary depending on many factors. You should conduct your own independent research, including the risks involved, and consult with your own professional advisors before making a decision about starting a laundromat business.

Why Choose Fagor?

Location Assistance

Fagor and our distributor network can help you find the ideal site using smart demographic data — so your laundromat starts strong.

Top-Quality Equipment

Built for durability and efficiency, Fagor washers and dryers with touchscreen controls perform reliably while keeping costs down.

Remote Technology

Manage your business remotely from anywhere at anytime with FagorKonnect — included at **no extra charge** on every machine.

Store Signage Package

Fagor makes it easy to brand your store with signage, banners, graphics and instructional decals available at **no extra charge.**
